LODGE Wildlife Series

WILDLIFE SERIES

Features

- The unique Lodge Wildlife design makes this piece ideal for collectors.
- Seasoned with oil for a natural, easy-release finish that improves with use.
- Easy care: hand wash, dry, rub with cooking oil.
- The right tool to sear, sauté, bake, broil, fry or grill.
- At home in the oven, on the stove, on the grill or over the campfire.
- Great for induction cooktops.
- Brutally tough for decades of cooking.
- Unparalleled in heat retention and even heating.
- Made in the USA 

Skillets

Hailed as an essential kitchen tool, the Lodge 8, 10.25 and 12 inch cast iron skillets are crafted to cook memorable meals for generations. The duck, deer and bear designs adds even more heritage to these iconic pans.

Grill Pan

The ribs of the Lodge square grill pan allow fat to drain from food while also searing tantalizing grill marks onto meats, vegetables and paninis.

Griddle

This round cast iron griddle pan is the perfect tool for cooking pancakes, pizza or quesadillas. The slightly raised edges keep oil, batter and other ingredients neatly contained.

CANADIANA SERIES

CANADIANA SERIES SKILLETS

Lodge and Counseltron are proud to have designed, two limited production, designed in Canada, produced in the USA cast-iron skillets. These two skillets represent Canadian imagery of our iconic Maple Leaf and Loon. Synonymous to Canada, Commemorating Lodge's long history providing USA made exceptional cast-iron cookware for the Canadian Consumer. Allowing for exceptional even heating quality with advanced metallurgy to create a safe and easy to use skillet to cook a vast range of recipes. We hope that you will enjoy cooking in our skillets as much as we were in designing & creating them.

• **CAST IRON** •

AMERICAN MADE SINCE 1896

SEASONED & READY TO USE

As the only full line of American-made cast iron cookware, Lodge boasts quality that has been unmatched for over a century. Home cooks love Lodge for the even heating and natural, easy-release finish. Outdoorsmen love the versatility and durability. Everyone loves the value of cookware that performs for decades. At Lodge, we don't just make cast iron; we make heirlooms that bring people together for generations.

- Seasoned for a natural, easy-release finish that improves with use
- The right tools to sear, sauté, simmer, bake, broil, braise, fry and roast
- At home in the oven, on the stove, on the grill or over the campfire
- Easy: hand wash, dry, rub with cooking oil
- Unparalleled in heat retention and even heating
- Brutally tough for decades of cooking

CAST IRON

LEARN MORE ABOUT CAST IRON STORY

Just Imagine ...

Cast Iron, a form of cookware developed over a millennia ago remains as popular today as when it was used to prepare meals for the Pilgrims, Lewis and Clark and President William McKinley in 1896, the year Joseph Lodge began our foundry.

Many of the pieces of Cast Iron cookware made in the Lodge Foundry over a century ago remain in use today (Lodge was sustainable before it was cool!). Cast Iron is one of only two metals compatible with induction stove tops (How did those medieval metallurgists know that?).

Lodge, the sole U.S. manufacturer of Cast Iron Cookware and the oldest family-owned cookware company in the country, is based in the tiny town of South Pittsburgh, TN (Population 3,300).

Lodge is the original green cookware.

Imagine Adding Colours, and exceeding expectations ...

Lodge has expanded our brand with enamel-coated cast iron: with vibrant colours, contemporary styling and stainless steel handles; featuring gradated colours and traditional design. Made to our exact specifications in China, both lines offer superior cooking performance; at considerably lower prices than our French competitors.

"Lodge Color", like our foundry seasoned cast iron, have garnered praise from Cook's Illustrated, Fine Cooking, Good Housekeeping and many others.

Forever and Always, Remember that ...

In the Lodge Foundry, every half hour molten metal is tested to ensure proper metal chemistry ... and we don't pour metal until it's perfect! A constant is the use of Lodge Cast Iron in our own kitchens (always remember, honesty begins in the home).

Pro-logic designed for serious cooks **LODGE**

BRUTALLY TOUGH

As a natural compliment to cast iron, Lodge crafted the Seasoned Steel line with its core customers in mind. Made in the USA and pre-seasoned at our TN foundry, they boast a natural, easy-release finish right out of the box. Lodge Seasoned Steel pans are made of 100% carbon steel that can take the heat of professional kitchens as well as open fires at the campsite, and are the right tool for any culinary aspiration.

- Seasoned for a natural, easy-release finish that improves with use
- The right tools to sear, sauté, grill, broil, braise, fry and roast
- Constructed of 12 gauge carbon steel with steel riveted handles
- Easy: hand wash, dry, rub with cooking oil
- Lighter than cast iron
- 100% Made in America

“Lighter than cast iron and more versatile than nonstick, it does the job of both—evenly conducting heat like a diner griddle and easily releasing even the most delicate fish.”

Bon Appetit

ESSENTIAL GEAR

Lodge's assortment of colourful and functional accessories continues to grow with leaps and bounds. These must-have items are easy add-ons that compliment any variety of Lodge cookware for enhanced presentation and sales.

A photograph of a kitchen scene featuring a black Lodge pot on a gas stove with a blue flame. A metal mesh strainer is placed inside the pot. To the left, a red-handled lid and a yellow-handled lid are visible on a wooden surface. In the background, a brick wall is visible with a black-handled spoon and a metal strainer hanging on it.

IRONS IN THE FIRE

Simply put, Lodge is the cookware of the outdoors. From the chuck wagons of our past to the patios and campsites of today, our camp Dutch ovens and grills turn meal time into an experience worth sharing, and our array of quality accessories and cookbooks keep the outdoorsman well-equipped when nature calls.

- Seasoned for a natural, easy-release finish that improves with use
- The right tools to sear, sauté, simmer, bake, broil, braise, fry and roast
- At home in the oven, on the stove, on the grill or over the campfire
- Easy: hand wash, dry, rub with cooking oil
- Unparalleled in heat retention and even heating
- Brutally tough for decades of cooking

You Asked and We Delivered!

before

after

We are always listening to our fans for product ideas and improvements. That is how we came to extend the legs on our **L8D0T3 Trivet/Meat Rack**. The piece now does a much better job when braising in your Dutch oven for less scorching and better browning.

ALL-NATURAL CERAMIC BAKEWARE

Lodge's century-old tradition of excellence continues in our beautiful and durable family of ceramic stoneware. Molded out of natural clay, these elegant pieces are fired at high temperatures, then glazed with vibrant colors for a lifetime of better baking and stylish serving. These baking dishes are ideal for everything from standout side dishes to eye-catching entrées to delightful desserts.

- The right tool to bake, serve, store and reheat
- Oven safe up to 450° F
- No stovetop use
- Some recipes may require cooking spray or oil
- Dishwasher, refrigerator and microwave safe

PORCELAIN BEAUTY

Lodge's century-old tradition of excellence continues as we marry the benefits of cast iron with the beauty of porcelain enamel. Superior heat retention produces a perfect braise or expert sauté, and the vibrant enamel surface allows food to be marinated and refrigerated. Workhorses in the kitchen, and show pieces on the dinner table, these vessels offer all the style and function of French brands at a value that is all Lodge.

- The right tool to marinate, refrigerate, cook and serve
- Unparalleled in heat retention and even heating
- Smooth glass surface won't react to ingredients
- Sauté, simmer or fry on any stovetop
- Broil, braise, bake or roast in the oven up to 500° F
- Made in China

WHAT IS PORCELAIN ENAMEL ON CAST IRON?

It is actually glass that becomes bonded to the cast iron at high temperatures. A particulate of glass, called frit is applied to the cast iron vessel and then baked at temperatures between 1200 and 1400° F. The frit melts and fuses to the cast iron, forming a bond. Porcelain enamel on cast iron is heat tolerant, impervious to water and other consumables, and is FDA approved.

HEAT-TREATED & SEASONED

AMERICAN MADE CAST IRON

OUR TOUGHEST IRON YET

Lodge's line of Heat-Treated Iron is made just like our traditional cast iron, and then put through a patented heat treating process that inhibits rust. Yes, you read correctly, this cast iron is resistant to rust! The iron is heated in a special oven at high temperatures, changing the molecular structure of the iron.

- **Patented heat-treating process** inhibits rust
- **Seasoned with oil** for a natural, easy-release finish that improves with use
- **The kitchen workhorse:** sear, sauté, bake, broil, braise, fry
- **No synthetic coatings**—just iron and oil
- **Legendary durability** for decades of cooking

How It's Made

Our heat-treating process is not a coating of any kind. The process is very similar to blued or case-hardened steel, like you would find on certain gun barrels or tools. The superior heat retention and other benefits of cooking in cast iron are all the same. All of these Heat-Treated products are pre-seasoned as well. While we still recommend cleaning these pieces in the usual way, there is much less worry involved if proper care is not followed. These pieces have even survived hundreds of cycles in a commercial 2-minute dishwasher without showing any signs of rust.

• CAST IRON •

AMERICAN MADE SINCE 1896

SEASONED & READY TO USE

As the only full line of American-made cast iron cookware, Lodge boasts quality that has been unmatched for over a century. Home cooks love Lodge for the even heating and natural, easy-release finish. Outdoorsmen love the versatility and durability. Everyone loves the value of cookware that performs for decades. At Lodge, we don't just make cast iron; we make heirlooms that bring people together for generations.

Commercial wood underliners are constructed of 1.91 cm thick, cross laminated, cold forest hardwoods, which are computer routed and finished with water resistant oil and/or lacquer.

The age and growing conditions of the cold forest hardwood used in our underliners creates density discrepancies. Due to these variations in density, each underliner can differ in the absorption of paints and oils used on the exterior finish, limiting control of the final color.

DISPLAY FIXTURES

Pictured above:

- 1 x BMFT (4 foot unit),
- 1 x BMFTS (4 foot unit, all shelves),
- 2 x BMFT3 (3 foot unit),
- 2 x BMFGK (hanging grid kit).

Rack up sales and profits with a Lodge branded fixture. Adaptable for a variety of assortments, these displays make an impact in any floor plan. Sturdy steel construction and adjustable shelves accommodate a variety of merchandising needs. Ships knocked down in a single carton and assembles easily.
