

1924 Cocktails

A vintage year for glass design.

The new 1924 Libbey Vintage stemware range fuses jazz-age flair with exciting new cocktail trends. The design is based on Richard Zijlstra's ingenious Glassology® food pairing concept, which lets you rest a stylish spoon on the rim of the coupe.

Richard and Libbey have together modernized the original coupe design by legendary Royal Leerdam designer, A.D. Copier, which coincidentally once had pride of place in Richard's own grandmother's display cabinet. We've also added two new glasses to the range, which consists of the Coupe, a Cocktail/Wine glass and a Gin & Tonic glass. The spoon and the Gin & Tonic glass will be launched later this year.

Features and Benefits:
